

Don Costa

Don Costa, one of Victoria's leading entertainers is now based on the Sunshine Coast, Queensland and is continuing to follow his passion for Country Music.

Performing at shopping centre promotions, Don has created a huge fan base for live concerts and club appearances. He continues to build on the success of his popularity, performing nationally and internationally.

Don is excited about the release of his 2 new albums "Travelin Man" and "The Gift", and his new DVD "Classic Country", which has captured a variety of great live performances at the Mildura Country Music Festival 2007; adding to his already popular releases of "Old Flames", "Solid Country" and "Back When", which were recorded at the Award winning Redwood Recording Studio in Ballarat, Victoria..

His live performances embrace his audiences with a feast of entertainment featuring a great selection of old favorites, country ballads and country rock. Don would sincerely like to thank everyone for their ongoing support, and is looking forward to seeing you all at his next performance.
